# *Dedication*

This 1967 graduating class does proudly announce its selection for the dedication of the Tuscarora.

She has spent many hours of help and guidance, and we feel it only proper that we show our appreciation in this way.

Her patience, understanding, and dedication to her work have proven her deserving of this honor. Her enthusiasm has given a spark of life to each of us and instilled in us a desire to make the most of our future.

Now, with our most sincere admiration and gratitude, we proudly dedicate the 1967 Tuscarora to MRS. BRENDA STRICKLAND.

# *Senior Snaps*

Just taking a break between classes.

Does this scene look familiar??

Who said we didn't have football at M.H.S.

Why should we look worried, we only failed the last four tests.

# *Principal*

Mr. George G. Beasley

To our principal, Mr. George G. Beasley, in appreciation for the time he has so unselfishly devoted to the welfare of the students of Meadow School. He has administered wisely the policies of our school; he has encouraged us to pursue that which is good in life; he has worked diligently with us to accomplish those tasks which measure our success as students; and he has given us guidance in overcoming our many problems. We express our sincere gratitude for his numerous services to our school.
